

Good Roads

Good Roads Long Service Award

Good Roads is proud to be recognizing the men and women across the province who have dedicated their careers to building the “good roads” that all Ontarians rely on for connection, prosperity, and growth.

We are calling for submission for our Long Service Awards.

To nominate an eligible employee, complete the attached form or download the Long Service Award Questionnaire from the Good Roads website.

To return a completed nomination or to have any questions answered, please reach out to Carmen Sousa by email at carmen@goodroads.ca.

Requirements

Please return the enclosed questionnaire advising us of any employee who satisfies all three of the following eligibility requirements:

- Someone with a minimum of 30 years in the roads sector who is employed in the municipal, provincial and/or private sectors;
- Is retired from their employment or will be retiring within one year of the Good Roads Annual Conference which will take place March 30 - April 02, 2025; and
- Whose immediate previous or current employer is a member in good standing of Good Roads.

We have revised our conference programming due to the positive response from honouring our Long Service Award recipients in their hometowns during local council ceremonies. Winners will receive their plaques at a local municipal recognition ceremony.

Nomination Deadline

Wednesday, February 26, 2025.
