

Good Roads

Seventh Annual  
Municipal Concrete  
Award

GIP in collaboration with The County of Essex completed the construction of a brand new full 2 lane concrete roundabout with concrete approaches. Four main types of concrete were used accounting for just under 15,000 m<sup>2</sup> of concrete poured over the course of the project.

## Deadline and entry information

Completed forms and supporting documentation must be postmarked no later than December 19, 2025.

Good Roads  
22-1525 Cornwall Road  
Oakville, ON | LBJ 0B2

Submissions received after this date will not be accepted.

## Eligibility

The application should be a collaborative effort between the Region/Municipality and Contractor and signed off accordingly. The concrete project should have been completed between January 1, 2025 and November 30, 2025.

There is no minimum contract value and both capital and maintenance projects are eligible.

## Judging Criteria

- a. Conformance to specifications based on testing
- b. Visual appearance
- c. Workmanship
- d. Innovation
- e. Other considerations (work window, night paving, traffic, interaction with public, etc.)

## Cost

There is no cost for the application. It is an excellent opportunity to showcase your project to the rest of Ontario.

## Judging Panel

The submission will be reviewed and finalists decided by a minimum of 5 panelists who are members of the CAC/CO/Good Roads Municipal Concrete Committee.

## Reporting the Results

Winners will be announced via email in February 2026.
