

## 2026 Municipal Paving Forecast

### Background

**Good Roads** (previously OGRA) will be delivering the annual Municipal Paving Forecast presentation at the 2026 Good Roads Conference. Your assistance in providing background information on your municipality's 2026 paving program is greatly appreciated. Thank you for taking the time to respond to this brief survey.

Aggregated data from this survey and other studies will be used to publish the 2026 ON Paving Report. You can read last year's report here: [2025 Ontario Paving Report](#)

- If you have any questions contact [Amin@goodroads.ca](mailto:Amin@goodroads.ca)
- [CLICK HERE](#) if you need the PDF copy of the survey,

**The survey will close on March 27th, 2026.**

1. Do you work for a municipality / township?

☐ Yes

☐ No

G

Everything roads  
since 1894

### PART-4: Contract Administration

\* 12. Approximately what percentage of your municipality's paving tenders have been released each quarter of the **2025** fiscal year?

(Indicate the approximate percentage issued in each quarter - e.g., Q1: 25%, Q2: 40%, Q3: 20%, Q4: 15%)

Q4 (of previous  
year)

Q1

Q2

Q3

COMMENT

13. What are the primary barriers preventing your municipality from issuing paving tenders earlier in the year?  
(Select all that apply)

☐

Budget approval timing

☐

Design / scope finalization

☐

Asset management decision

☐

Procurement regulations

☐

Internal administrative processes

☐

No significant barriers; we issue on our  
ideal schedule

☐

Other (please specify)

14. During the **2025** Paving season, how often did you have to invoke the referee testing procedure for your asphalt paving projects? (approximately)

☐ 0 ☐ >10

☐ 1-5

☐ 5-10

☐ Other (please specify)

☐ None of the above

15. In your referee testing, how many times have the referee test results confirmed the QA, and how many times have the referee results confirmed the QC

Referee test  
confirmed **QA**  
results

Referee test  
confirmed **QC**  
results

16. Any general or question-specific comments would you like to make?
